

Hi Everyone,

I have some very exciting news. Jacob Ayre from POhWER Advocacy Services is coming along to speak to our Parents and Carers on Monday 23rd April. POhWER are a charity that provides information, advocacy and advice services, offering direct and local support via Professionals and Volunteers. Jacob will be speaking about how they offer advice and support to those who may have a physical or learning disability and need support from an external agency. Although this might not be something your child needs at the moment it might be that you can gain some knowledge that may benefit your family in the future. Jacob will also be talking about the governments legal obligations and regulations that must be followed.

The talk will take place on Monday 23rd April at 18:30 at The Main Place, Station Way, Coleford so for those of you who have children who attend Forest Friends you can just stay on after dropping them off. The talk will last approximately 30 – 45 minutes.

If you would like to attend please contact me at charitymanager@forestpulse.co.uk or phone the office on 01594 826357 by Wednesday 18th April to book your place.

I look forward to seeing you all there

Best Wishes

Kim Jones
